* For well qualified buyers, no interest will be charged to the extent of the client pays the entire principal balance prior to the end of the 12 month introductory period. Interest is not accrued or deferred. If the principal balance is not paid in full by the end of the 12 month period, then interest will be charged according to the original terms of the note. Annual APR for this program will vary based on client's credit profile and will be fully disclosed upon application by the customer. The minimum APR for this program is 11.99% and the maximum APR is 18.99%.
